

Christopher Alexander

Senior Managing Consultant
PFM Financial Advisors LLC

Chris joined PFM in 2025 and currently serves as a Senior Managing Consultant. In this capacity, he assists airport and transportation clients in crafting funding strategies for capital development initiatives. Additionally, he oversees the execution of capital transactions, conducts long-term financing modeling, develops debt plans, and analyzes performance and usage metrics.

Before joining PFM, Chris held a seven-year tenure at a national investment banking firm, where he oversaw their specialized aviation underwriting group. Prior to this, he managed a regional municipal advisory firm, served as a debt manager for a municipal issuer, and held the position of municipal portfolio underwriting manager. Throughout his career spanning over two decades, Chris has conducted financial feasibility analyses, developed capital improvement programs, and provided comprehensive financial advisory services. Notably, he has advised on over \$1 billion in financial transactions, underwritten over \$11 billion in bonds and loans, and managed a \$600 million debt portfolio as an issuer.
