

Andrea Brandt

Analyst

PFM Financial Advisors LLC

Andrea Brandt joined PFM in 2025 and works as an analyst in the Quantitative Strategies Group (QSG), based out of the Philadelphia Office. She provides quantitative support and analysis through her work with QSG in the development and maintenance of financial models and analytical tools for internal teams across PFM as well as external clients. Andrea also provides support in the assessment of refunding opportunities and debt structuring for municipal clients as part of the Financial Advisory practice.

Prior to joining PFM, Andrea graduated with a bachelor's degree in Mathematics and Computer Science from Temple University.
