

Jon Burmeister, CFA

Managing Director

PFM Financial Advisors LLC

Jon Burmeister, CFA is a managing director located in the Des Moines office and currently heads PFM's Midwest Municipal Advisory group. Jon has over 23 years of public finance experience with PFM. He has led or provided project management support for PFM engagements within the states of Kansas, Iowa, Minnesota, Missouri and Nebraska.

Since joining PFM in 1997, Jon has provided municipal advisory services to governmental municipalities located throughout the Midwest and is experienced in providing advice in a broad range of disciplines including evaluation and development of financial plans and credit strategies, cost/benefit analyses, capital planning and multi-year financial planning. Over the years, he has developed and implemented cash flow and feasibility models used to articulate financial objectives, facilitate financial planning, monitor financial performance, develop capital improvement plans and facilitate credit assessment reviews for many different types of financings.

Over the last 23 years, Jon has provided financial advisory services to municipalities in the Midwest, including the City of Des Moines, Iowa; City of Cedar Rapids, Iowa; and Loup River Public Power District, Columbia, Nebraska. He has been responsible for the financial planning and execution of general obligation, tax increment, special assessment, public power, telecommunication, storm water, sewer and water debt issues.
