

Trae Jordan

Senior Analyst

PFM Group Consulting LLC

Trae Jordan (he/him) is an analyst in PFM's Management and Budget Consulting (MBC) practice and is based out of the firm's Philadelphia office.

Trae works across MBC's practice areas, primarily focusing on projects within the Economic and Real Estate Consulting practice and the Center for Budget Equity and Innovation. Trae provides support for clients around the country by conducting economic and fiscal impact analyses as well as real estate market studies and tax incentive policy evaluations. His work also includes advising clients regarding strategies for incorporating equity into local government practices.

Prior to joining PFM, Trae's experience includes work with the Planning Department in Olathe, KS, the City Manager's Office in Overland Park, KS (Greater Kansas City) and the Strategic Initiatives Department at Amtrak.

He holds a Master of City Planning from the University of Pennsylvania as well as a Bachelor of Science in Economics from the Wharton School of Business at the University of Pennsylvania.
